Pancake Breakfast - Vonda

For the pancake breakfast on Friday, December 17, 2021 we are doing a boxed breakfast for \$5.25 per person for 420 people. They can choose either sausage or chicken biscuit (from Chick-fil-a). We will get fresh muffins and cinnamon rolls from Jera's Heavenly Sweet on W Bancroft. They will have a choice of fruit and choice of drink (white milk, chocolate milk or OJ). We will need parent volunteers that morning to put together the boxed items. They will get food through the cafeteria line so the school will provide the fruit and drink.

Un-Fundraiser Fundraiser - Vonda

Between November 4, 2021 and December 2, 2021 we will be holding a fundraiser to raise funds for the End-of-Semester breakfast. We will be distributing a flyer that shows options to help provide for 1 or more breakfasts and the easy online option to pay for it.

Principal News - Mrs Cole

Service hours are a great way to encourage families to participate in their student's school environment and help show support . Each family needs 10 hours per semester and there are many ways to get those hours.

Open house was very successful. It was great to get parents in to see the new building.

Conferences went very well. There has been over 90% participation so far.

This is our second year of being a Title I school. This helps to provide better opportunities for the students.

Tutoring is not to be used as a waiting area for students. They must be there to work. Please be sure they are picked up on time which is 5:00 pm.

Tutoring Schedules

For 7th and 8th graders

Monday - Math with Mrs Mylek

Tuesday - Science with Mr Welch

Wednesday - Social Studies with Mrs Elder

Thursday - English with Miss Coffey

Tuesday -

Wednesday - Math with Mr Shawver & Mr Schrock

Thursday - Math with Mrs Wamer; English with Miss Coffey

- 3:45 pm - 5:00 pm

TEC has been experiencing some student behaviors, but they are working to reacclimate the students to being in school and to what TEC expects of them. With the use of several student groups (SMARTS, TEEN PEP, etc) they are looking to do programs for the kids to help with the situation.

The parking issue at the school for meetings has been figured out and they are expecting that future TPSA meetings will be held at the school and at the later 7 pm time. You will be informed when the meetings are changed to the school.

Unison Health Services - Ali Albright

Ali Albright provided a short video specific to TEC that introduced her and another provider, told about what they do and that they provide their services on-site (Medicaid) or at their Starre Ave Site (private insurance) or telehealth (private insurance).

Remember to talk with your student(s) about their needs for these services. They can't receive them unless you have completed the required paperwork and they may be afraid or unsure of coming to you first.

In Plain Sight - Vonda

The Lucas County Sheriff's Office will be presenting the DART Program's In Plain Sight at the Sanger Branch Library on October 26, 2021 from 5:30 pm to 6:45 pm. It is a great program to help parents keep up on the language and tricks kids are using that may put them in danger. Even if you have gone in the past, consider going again as things keep changing for teens.

2021-2022 TPSA Officers Election - Votes were counted and the results are as follows:

President - Vonda Hogle

Vice President - Ed McDaniel Jr

Treasurer - Traci Jaksetic

Secretary - Joy Dauterman

Meeting adjourned at 6:55 pm
